General Information

This catalog is intended for the wholesale and commercial trade only. To buy wholesale you must be involved in the landscape, construction or nursery trade. Please do not send your clients to the nursery unless you will be accompanying them. We are not staffed to handle retail customers and cannot give them wholesale prices.

We reserve the right to refuse the loading of materials into inappropriate vehicles. This includes putting balled and burlapped material into cars, vans and SUVs.

No children or pets for safety reasons.

Catalog prices listed are F.O.B. Deakins Pond and are subject to change without notice.

Terms and Conditions of Sale

- **Method of Payment:** All sales are due upon receipt unless a credit account has been established. We accept cash, checks, Visa, Mastercard, American Express and Discover.
- **Sales Tax:** A 6% Maryland Sales Tax will be charged on all orders within the State of Maryland unless your Maryland State tax number is supplied to us prior to purchase.
- **Delivery:** Delivery is available for a fee and is based on location and size of order. Customers are responsible for proper unloading of materials; and to provide the proper manpower and equipment to unload in a timely fashion. Damage claims, shortages, and breakages must be noted on delivery slip. Delivery is available for both local and long distance. We are capable of delivering any size load of plant materials up to a 53-foot tractor-trailer.
- **Guarantee:** We guarantee our plants to be true to name and healthy. We are not responsible for plants once they leave our nursery or after delivery has been made.
- **Returns:** It is not our policy to accept returns of plant materials. However, returns will be considered on a case by case basis & must be accompanied with a receipt. A 20% restocking fee will be charged for all returned materials. No plant material returns after 48 hours under any condition.

- **DISCOUNT PROGRAMS:**

Plant Discount Program: *Quantity Discounts are now available on all plants.* Plant discounts are available for plants purchased at the same time, same variety, and same size. Discounts are per plant and can be found detailed in the catalog.

Bagged Material Discount Program: *Quantity Discounts are now available on all bagged materials.* Bagged material discounts are available for bags purchased by the full pallet only. Pallet must be loaded directly onto the customer's truck and there will be no assistance provided with hand loading. Discounts are per item and specific pallet quantities vary- also detailed in the catalog.

Plant Volume Discount Program: Volume discounts will be based on annual purchases from the previous calendar year. Only plant materials will be discounted. Account must be in good standing.

\$5000.00- \$9,999.00 Will pay the **25 - 49** quantity discount price
(unless more than 50 Quantity is purchased)

\$10,000.00 - \$24,999 Will pay the **50-99** quantity discount price

\$25,000.00 & up Will pay the **100+** quantity discount price

- **EXPRESS PLANT PICK-UP:** A fast way to pick-up your plants
 - 1) Call, fax or e-mail your order before you come to the nursery.
It's best if you do this a day in advance.
 - 2) We will pull your order and have it ready to load.
- If you don't find what you're looking for in this guide please call. We stock many plants that are not listed in this catalog. Call, fax or e-mail your next landscape job for a price quote.

Sod

Fresh Sod (Turf Type Tall Fescue) is available by special order only

MINIMUM ORDER IS 2 PALLETS - 1,200 SQUARE FEET

PRICE PER ROLL IS \$2.69

PRICE PER PALLET IS \$161.40

1 ROLL OF SOD = 18" x 80" = 10 sq. ft.

1 PALLET OF SOD = 60 rolls = 600 sq. ft.

Discounts available for tractor trailer load quantities

TO FIGURE OUT SOD NEEDED, USE THIS FORMULA:

LENGTH X WIDTH = AREA

AREA ÷ 10 = # OF ROLLS OF SOD NEEDED

For example: If the existing lawn needing sod is 60 feet by 20 feet,
the Area of the lawn would = 1,200 sq. ft.

$1,200 \text{ (sq. ft.)} \div 10 \text{ (sq. ft.)} = 120 \text{ (rolls of sod)}$

Since 1 Pallet = 60 Rolls, 2 pallets of sod would be needed to sod the entire area.
